INFORMATION CIRCULAR

To: Members of the Staff at Headquarters
Members of permanent missions to the United Nations

From: The Assistant Secretary-General for Human Resources Management

Subject: LANGUAGE TRAINING PROGRAMME - ACADEMIC YEAR 1992/93

1. Language training courses in Arabic, Chinese, English, French, Russian and Spanish are organized in order to promote linguistic balance within the Secretariat and to improve the language capabilities of its staff as mandated by General Assembly resolutions 2480 B (XXIII) of 21 December 1968 and 43/224 D of 21 December 1988. The purpose of these courses is to provide staff members with the opportunity to achieve proficiency in other official languages, bearing in mind their needs and their office hours. The United Nations language proficiency examination is the official test of a staff member's knowledge of a language and may be taken both by participants who have completed the last level of a language course and by staff members who have achieved proficiency from outside sources.

I. ELIGIBILITY

2. (a) All staff members who have appointments for at least six months beyond the deadline of the registration period for the term in question may register for language courses. Priority for admission is given to staff members; members of permanent missions to the United Nations will be admitted as space permits. Applications from other categories of non-staff members (consultants, staff of non-governmental organizations, press correspondents accredited to the United Nations and staff of other organizations of the common system) will be considered in the light of available resources (see para. 6 below for information on fees);

/...

(b) Consular staff, spouses and children are not admitted to United Nations language courses. However, the Hospitality Committee for United Nations delegations offers courses for spouses of staff members, for spouses of members of missions and for consular staff. Further information about these courses may be obtained from Mr. Frank Werth, Hospitality Committee English School, General Assembly Building, room 101, tel. (212) 755-1685.

II. REGISTRATION

Procedure

3. (a) New participants in the programme may register for a language course by filling out a registration form, which may be obtained from the Language Training Programme, room S-606, during the established registration period between 1 and 3 p.m. and returning it to the same room before the published deadline. Those who have some prior knowledge of the language they wish to study must make an appointment for a placement test when they register;

(b) Once registered in a language course, participants will be given an opportunity in class before the end-of-term examination to renew their registration for regular courses in subsequent terms. Participants who fail to reregister at that time will be dropped from the programme unless they have submitted a written explanation of their special circumstances to the appropriate language coordinator;

(c) All those who wish to participate in conversation classes or other special courses, such as the advanced reading workshops, the guided self-study workshops or the English pronunciation workshop, must fill out the appropriate registration form, which may be obtained in room S-606 during the registration period;

(d) Returning participants who have been absent from a course of study for two terms or more will be required to take a placement test in order to re-enrol in the programme;

(e) Registration for the September term of academic year 1992/93 is scheduled to take place from 1 to 12 June, and from 31 August to 4 September 1992 from 1 to 3 p.m. in room S-606.

Registration for the January and April terms will take place from 2 to 13 November 1992 and from 1 to 12 March 1993.

Language of study

4. Prospective participants should exercise particular care in choosing the language in which they wish to take either a regular or an accelerated course, for they may register for only one such course each term and may not interrupt a course of study in one language in order to begin studying another without the authorization of the Training Service.

Notification of enrolment

5. Staff members and other participants whose registration is current or who have registered within the established registration period should check the class lists, which will be posted on the sixth floor of the Secretariat building and on the second floor of UNDC-2 building during the week before the beginning of each term.

Tuition fees

6. (a) Members of the United Nations Secretariat and staff of other organizations of the common system are admitted to regular and accelerated language courses free of charge. Tuition fees of $250 per term for each regular or accelerated course are payable by non-staff members as referred to in paragraph 2 (a) above. In accordance with section XVII of General Assembly resolution 36/235 of 18 December 1981, accredited (diplomatic) staff of permanent missions at Headquarters may enrol free of charge in regular and accelerated language courses during the established registration periods. All other staff of permanent missions (administrative, technical and service) will be charged the standard fee of $250. No tuition fees will be refunded after the second week of classes;

(b) Tuition fees of $100 per term for each special course, such as conversation, the English Pronunciation Workshop, etc., are payable by non-staff members as referred to in paragraph 2 (a) above;

(c) Staff of the United Nations Secretariat and staff of other organizations of the common system who repeat a regular or accelerated course at any level will be charged a repeater fee of $100; however, the repeater fee will not be chargeable if they need to repeat a course as a result of absences of three weeks or more attributable either to certified sick leave or to a mission assignment of which they were unaware at the time they enrolled in the course. Participants who have been assigned to mission service must provide written notification from their executive/administrative officer or, in the case of mission personnel, their supervisor, giving particulars of the dates and duration of the assignment.

III. COURSE CALENDAR

7. The 1992/93 course calendar is as follows:

(a) September 1992 term

Language classes:	14 September-4 December 1992
End-of-term examinations:	7-11 December 1992

(b) January 1993 term

Language classes:	4 January-26 March 1993
End-of-term examinations:	29 March-2 April 1993

(c) April 1993 term

Language classes: 19 April-9 July 1993
End-of-term examinations: 12-16 July 1993

IV. DESCRIPTION OF LANGUAGE TRAINING PROGRAMME

8. Four types of courses are offered each term: regular, accelerated, conversation and specialized workshops. In addition, the Training Service also designs and conducts special language training courses to meet specific language needs at the request of departments.

Regular courses

9. (a) Depending on the level, regular courses meet for one-hour periods, three or four times a week, with the lower levels receiving extra laboratory work each week, starting in the second week of the term;

(b) Classes are offered at the following times:

Before work: 8.30 a.m.

Lunch hour: 12 p.m.
1 p.m.
2 p.m.

After work: 5.45 p.m. (6.15 p.m. during the General Assembly session)

It should be noted that not all levels of a given language are offered at each of these times. Draft schedules, posted in room S-606, should be consulted at the time of registration. Every effort will be made to place registrants according to the time preferences they indicate; however, because the number of places in lunch-hour courses is limited, there is no guarantee that registrants will be given the time they have chosen.

Accelerated courses

10. Accelerated courses are offered as an intensive alternative to the regular programme. Classes meet five days a week from 9.15 to 10.15 a.m. Written authorization is required for staff members wishing to take such courses. This authorization must be renewed each time the staff member reregisters for an accelerated course.

Conversation courses

11. Conversation courses are provided for staff members who have passed the language proficiency examination or who have a sufficiently advanced knowledge of the language. Those enrolled in the upper four levels of a language

programme are also eligible to participate. The purpose of these courses is to develop oral expression and to supplement the instruction provided in the other courses. Conversation classes meet for either one or two hours before or after work.

V. SPECIALIZED WORKSHOPS

Language workshops

12. Specialized language workshops in different language skill areas are offered; advanced reading workshops and guided self-study workshops are available. These workshops allow participants to focus on and improve their abilities in specific skill areas. These workshops generally meet for one hour a week. At the time of registration, participants may check which workshops are available in the language they wish to study.

Pronunciation skills workshop in English

13. The pronunciation skills workshop in English is offered to staff members who wish to focus on improving their pronunciation. There are two sessions a week, of one hour each, including practice in the language laboratory under the guidance of the workshop teacher.

Advanced writing: drafting letters and memoranda

14. Advanced writing workshops in English and French, the working languages of the Secretariat at Headquarters, are available to those staff members who have passed the language proficiency examination or are native speakers of the language and whose function requires them to draft letters and memoranda. The goal of these courses is to develop the participants' abilities to write clearly, concisely and correctly, using the style appropriate to United Nations letters and memoranda. The workshops generally meet from 3 to 5 p.m. one day a week. Staff members wishing to take such courses must have written authorization.

Principles of report writing workshop in English

15. Beginning in the September 1992 term, the principle of report writing workshop in English will be offered. The workshop will cover the format and style recommended for writing reports for the Organization. Emphasis will be placed on writing action-oriented reports that present essential information as briefly and clearly as possible. As with the advanced writing workshops, this workshop is open to those staff members who have passed the language proficiency examination or are native speakers of the language and whose function requires them to draft reports.

VI. ADDITIONAL INFORMATION

Language laboratory

16. The Training Service operates a language laboratory (UNDC-2, room 203), consisting of a teaching laboratory and a laboratory for individual study. The hours during which the language laboratory is open are posted on the bulletin board on the second floor of the UNDC-2 building at the beginning of each term.

Lunch-hour attendance of language courses

17. Staff members attending classes during their lunch hour are allowed 20 minutes for a quick meal before resuming their work.

Absenteeism

18. Participants who fail to attend class during the first week of the term will automatically be dropped from the class list, and their places may be allotted to persons on the waiting list. Absences from class should be explained in writing to the appropriate language coordinator.

Course materials

19. Participants will be informed on the first day of class of the materials that will be used during the course. It should be noted that course materials produced by the Training Service are intended for use exclusively by participants in the language courses offered by that Service.

Examinations

20. (a) Examination schedules are posted during the last month of classes. Examinations are an integral part of the teaching programme, and it is mandatory to take them. Participants who do not sit for the end-of-term examination will be dropped from the programme unless they have submitted adequate written explanation to the appropriate coordinator in advance of their absence;

(b) Participants who are prevented by compelling circumstances from taking the examination as scheduled and who wish to request a make-up examination should write a memorandum to the coordinator of the language they are studying. Those who are authorized will be notified of the exact date of the make-up examination;

(c) Examinations are given after the last week of classes for regular and accelerated courses to determine whether a participant will pass to a higher level or repeat the course. The examinations consist of written and oral components, both of which must be passed to enable a participant to go on to the next level. Participants who fail a course may arrange to have a general discussion of the results of their examination by making an appointment with the appropriate language coordinator one week after the beginning of a term;

(d) The language proficiency examination is given twice in every calendar year. This examination is the official test of a staff member's knowledge of a language. The examination is open to all students who have completed the last level of a United Nations language course and to staff members who have achieved proficiency from outside sources. Application to take this examination must be made separately. Further details are given in information circular ST/IC/1991/69. There are no make-up examinations for the language proficiency examination.

Cancellation of registration

21. Students who believe that they will be unable to complete the course in which they are enrolled and wish to withdraw must do so by completing the change-of-registration form in room S-606 within the first two weeks of the term. If these students wish to reregister for the same course in a subsequent term, they must come in person to room S-606 during the announced registration period to complete the necessary registration forms. Those who cancel their registration after this two-week period will be considered repeaters if they reregister for the same course. Therefore, staff members and other non-paying participants will be charged a $100 fee to repeat a course.

To: Members of the staff at Headquarters

From: The Controller

Subject: RENEWAL OF THE HEADQUARTERS MEDICAL AND DENTAL INSURANCE PLANS EFFECTIVE 1 JULY 1992, AND ANNUAL ENROLMENT CAMPAIGN, 8-12 JUNE 1992*

General

1. The purpose of the present circular is to announce:

(a) The 1992 medical and dental insurance enrolment campaign;

(b) Changes in the premium rates that will come into effect on 1 July 1992;

(c) Modifications in benefits in several health insurance plans which will come into effect on 1 July 1992 (see in particular paras. 21 and 22);

(d) An improvement in the benefits available under the GHI Dental Plan which will come into effect on 1 July 1992 (see para. 25).

Premiums, which are shared between the participants and the Organization, have had to be increased in order to meet the projected costs of the plans resulting from the continuing escalation of medical costs at Headquarters. The new premium rates as well as the percentages of salary pertaining to staff members' contributions to the premiums for the various plans and categories of coverage are set out in annexes I and II to the present circular.

---

* Personnel Manual index No. 6170.

Annual enrolment campaign

2. All staff members holding appointments of three months or longer (or six months or longer for dental coverage) under the 100 or 200 series of the Staff Rules, 1/ whose duty station is New York and who are not enrolled in a Headquarters medical/dental insurance plan may enrol during this annual campaign. In addition, those currently enrolled may take the opportunity to review their coverage and change from one plan to another, or change their coverage in respect of the members of their family.

3. The medical and dental plans being offered during the June campaign are:

(a) Blue Cross/Aetna Major Medical (Blue Cross/Aetna);

(b) Blue Cross/WrapAround Plus (WrapAround Plus);

(c) Health Insurance Plan of Greater New York, Health Maintenance Organization (HIP/HMO);

(d) Kaiser Foundation Health Plan of the Northeast, Health Maintenance Organization (Kaiser/HMO);

(e) GHI Dental Plan (GHI).

Any change that may occur in regard to the plans being offered will be announced in an amendment to the present circular.

4. For enrolment purposes, applicants will be required to present proof of eligibility from their respective personnel or administrative officers attesting to their current contractual status. Eligible family members may also be enrolled at this time, provided that evidence of the status (P.5 Personnel Action form) of such family members is presented to the Insurance Section. Interested staff members should carefully review the current status of their family's enrolment, both as to the continued eligibility of children and/or inclusion of those newly eligible or not covered at present.

5. Staff members, particularly those who have no coverage under a United Nations plan or through another family member, are strongly urged to obtain medical insurance coverage for themselves and their eligible family members, especially since the high cost of medical care could result in financial hardship for individuals who become ill and/or are injured and have no such coverage.

6. Staff members are reminded that in the case of a staff member married to another staff member, the insurance coverage, whether at the two-person or family level, must be carried by the higher-salaried staff member.

7. The effective date of insurance coverage for all campaign applications, whether for enrolment, change of plan or change of family coverage, will be 1 July 1992.

/...

Time and place of enrolment

8. The annual enrolment campaign at Headquarters will be held from 8 to 12 June 1992 at the offices of the Insurance Section of the Office of Programme Planning, Budget and Finance, room S-2765, between the hours of 10 a.m. and 5 p.m. STAFF MEMBERS AT HEADQUARTERS MUST COME IN PERSON TO THE INSURANCE SECTION OFFICE TO COMPLETE THE APPLICATION FORM AND OTHER FORMS AS NECESSARY. The staff of the Insurance Section will be available during the designated dates and hours to provide information and answer specific questions regarding the health plans being offered to staff. In addition, representatives of the insurance companies will be on hand from 8 to 10 June to provide information about the various insurance plans offered. The insurance company desks will be located in the staff activities area near the Secretariat cafeteria entrance.

9. Staff members are reminded that, except as provided in paragraphs 10 and 14 below, this will be the ONLY opportunity until June 1993 to enrol in the United Nations medical and dental insurance plans. This is also an opportunity to review current medical insurance coverages within or outside the Organization and either enrol in one of the United Nations plans or apply for changes within these plans, as may be necessary or desirable. Staff members who are satisfied with their coverage do not need to take any action at this time.

Enrolment between annual campaigns

10. Between annual campaigns, staff members and their family members may be allowed to enrol in the Headquarters medical and dental insurance plans ONLY if at least one of the following events occurs and application for enrolment is made within 31 days thereafter:

(a) In respect of medical insurance coverage, upon receipt of an initial appointment of at least three months' duration at Headquarters under the 100 or 200 series of the Staff Rules;

(b) In respect of dental insurance coverage, upon receipt of an initial appointment of at least six months' duration at Headquarters under the 100 or 200 series of the Staff Rules;

(c) Upon transfer to Headquarters from another duty station;

(d) Upon return from special leave without pay, but only under the health scheme in which insured prior to taking leave (see para. 13 below);

(e) Upon assignment to a mission, under certain conditions (see para. 14 below); and/or

(f) Upon marriage, birth or legal adoption of a child for coverage of the related family member.

Staff members who can demonstrate that they were on mission or annual or sick leave for the entire duration of the annual campaign may enrol within 31 days of their return to Headquarters.

11. In all cases, the completed application for enrolment or re-enrolment must be certified by the appropriate personnel or administrative officer and received by the Insurance Section within 31 days of the occurrence of the event giving rise to entitlement to enrol. Applications and inquiries with regard to changes relating to such events occurring between campaigns should be directed to the Insurance Section as follows:

Insurance Section
Office of Programme Planning, Budget and Finance
Room S-2765
United Nations Headquarters
New York, NY 10017

12. Applications between enrolment campaigns based on any other circumstances or not received within the 31 days of the event giving rise to eligibility will not be receivable by the Insurance Section and will be returned. In this regard, it should be noted that termination of health insurance coverage under a scheme not offered by the United Nations will in no case give rise to any right on the part of a staff member or family member to immediate enrolment in a United Nations plan. If such termination occurs between annual enrolment campaigns, the staff member must wait until the next campaign to enrol in a United Nations plan. Staff members who for any reason may be uncertain about the continuity of their outside coverage are urged to consider enrolling in a United Nations scheme during the present campaign.

Staff on special leave without pay

13. Staff members who are granted special leave without pay are reminded that they may retain coverage for medical and dental insurance during such periods or may elect to discontinue such coverage for the period of the special leave:

(a) Insurance coverage maintained during special leave without pay. If the staff member decides to retain coverage during the period of special leave without pay, the Insurance Section MUST be informed directly by the staff member of his or her intention at least one month in advance of the commencement of the special leave, in person if at Headquarters, or in writing if stationed away from Headquarters. At that time, the Insurance Section will require evidence of the approval of the special leave, together with payment covering the full amount of the cost of the coverage(s) retained (both the staff member's contribution as well as the Organization's share, since no subsidy is payable during such leave);

(b) Insurance dropped while on special leave without pay. Should a staff member decide not to retain insurance coverage(s) while on special leave without pay, no action is required upon commencement of the special leave;

(c) Re-enrolment upon return to duty following special leave without pay. Regardless of whether a staff member has decided to retain or drop insurance coverage(s) during a period of special leave without pay, it is essential that he or she re-enrol in the plan(s) with the Insurance Section upon return to duty, in person if at Headquarters, or in writing if away from Headquarters. This must be done within 31 DAYS OF RETURN TO DUTY. Failure to do so will mean that the staff member will be unable to resume participation in the insurance plan(s) until the following annual enrolment campaign in the month of June.

Staff members assigned on mission

14. In view of the large number of staff members who will go on mission assignment, it has been decided to extend a special medical/dental plan enrolment opportunity to such staff members. The provisions in this respect, which will apply to all staff members going on mission for six months or more, are as follows:

(a) Staff members who at present are not enrolled in any United Nations health insurance plan will be allowed to enrol themselves and eligible family members. The insurance will become effective on the first day of the month in which the mission assignment commences. Enrolment in a health insurance plan in these circumstances must be completed prior to the departure of the staff member on mission assignment;

(b) Staff members assigned to a mission who are enrolled in either HIP or Kaiser, two plans which do not offer full services at locations away from Headquarters, may switch to either Blue Cross/Aetna or Blue Cross/WrapAround Plus. These two plans provide benefits on a worldwide basis, though in the case of Blue Cross/WrapAround Plus, there are no participating providers outside the Headquarters area. Enrolment in the Blue Cross/Aetna or Blue Cross/WrapAround Plus plans under this provision must be completed prior to the departure of the staff member on mission assignment;

(c) Staff members who, at the time of commencement of the mission assignment, do not have GHI Dental coverage but who are already enrolled, together with eligible family members, in Blue Cross/Aetna or Blue Cross/WrapAround Plus may enrol themselves and family members covered under their medical insurance plan in the dental plan. Such enrolment must be completed prior to the departure of the staff member on mission assignment;

(d) Staff members who elect to enrol in a health insurance plan in the circumstances provided under (a) to (c) above forego the right to make any further change during the annual enrolment campaign taking place in the same calendar year as the commencement of the mission assignment. The next opportunity for these staff members to make any change in their insurance coverage will be at the time of the annual enrolment campaign of the following year;

(e) Staff members who are already enrolled in Blue Cross/Aetna or Blue Cross/WrapAround Plus at the time of the mission assignment must retain their existing coverage until the next annual enrolment campaign;

(f) Staff members who will be on mission assignment for a year or more and who will not have eligible covered family members residing in the United States for the duration of the mission assignment may opt for coverage under the Van Breda Medical, Hospital and Dental Insurance plan for staff overseas. Details of this plan are available in the offices of the Insurance Section, room S-2765;

(g) Staff members returning to Headquarters from mission assignment, other than those who qualified and opted for the Van Breda plan, may not change their insurance coverage until the next annual enrolment campaign. Staff members who switched to the Van Breda plan, as provided under subparagraph (f) above, must revert, upon return to Headquarters, to the insurance plan which they had prior to the mission assignment at least until the next annual enrolment campaign. It is essential that such staff members advise the Insurance Section within 31 days of their return to Headquarters.

IN ALL CASES, STAFF MEMBERS GOING ON MISSION ASSIGNMENT WHO WISH TO ENROL IN A HEALTH INSURANCE PLAN OR CHANGE THEIR PRESENT COVERAGE, AS PROVIDED ABOVE, MUST PRESENT EVIDENCE TO THE INSURANCE SECTION OF THE MISSION ASSIGNMENT AND ITS DURATION.

Cessation of coverage of family members

15. The Insurance Section should be notified immediately of changes in the staff member's family which result in a family member ceasing to be eligible, e.g., a spouse upon divorce or a child reaching the age of 25 years, marrying or taking up full-time employment. The responsibility for initiating the resulting change in coverage (e.g. from "staff member and spouse" to "staff member only" or from "family" to "staff member and spouse") rests with the staff member. Staff members who wish to discontinue coverage of a family member under a United Nations plan for any other reason may do so at any time, although this is strongly discouraged. Such deletions of family members from coverage should be communicated to the Insurance Section directly. It is in the interest of staff members to notify the Insurance Section promptly whenever changes in coverage occur in order to benefit from any reduction in premium contribution which may result. Any such change will be implemented on the first of the month following receipt of notification. No retroactive adjustments can be made as a result of failure to provide timely notification of any change to the Insurance Section.

After-service health insurance

16. Staff members are reminded that, among the eligibility requirements for after-service health insurance coverage, is that staff members must be enrolled in a United Nations scheme at the time of separation from service. A minimum of 5 years of prior coverage in a United Nations or specialized agency

health insurance scheme is necessary to qualify for unsubsidized after-service health insurance participation and 10 years of prior coverage for subsidized participation. In both cases, the staff member must be 55 years of age or over as of the date of separation. Full details on the eligibility requirements for after-service health insurance coverage are given in the relevant administrative instructions. 2/ It should also be noted that only family members enrolled with the staff member at the time of separation are eligible for continued coverage under the after-service health insurance programme.

17. After-service participants are also reminded that the restriction set out in paragraph 10 above, to the effect that staff members may switch from one insurance plan to another only during the period of the annual enrolment campaign, does not apply fully to them. As provided in administrative instruction ST/AI/172, an after-service participant may transfer from one United Nations health insurance scheme to another at any time, provided that the Insurance Section receives three months' written notice to enable the adjustment to be effected. This privilege is limited to transfers between medical plans (for example, from the Headquarters Blue Cross/Aetna plan to the Van Breda plan or other United Nations plan, should there be a change in residence within the United States or to another country).

Insurance plans and benefit changes

18. As of 1 July 1992, there will be four medical/hospitalization plans and one dental plan available to United Nations staff at Headquarters. They are described below. As may be seen from annex I, the premium rates for the Blue Cross/Aetna, Blue Cross/WrapAround Plus, HIP and Kaiser plans will increase by varying amounts. The cost of the GHI Dental Plan has increased by approximately 47 per cent in line with the additional cost of the benefit improvements under that plan.

Conversion privilege

19. Participants who cease employment with the United Nations and are not eligible for after-service benefits may arrange for medical coverage under an individual contract. This provision applies to all plans currently offered. The conversion privilege, which is part of the United Nations group contracts with the respective insurance campanies, means that the insurer cannot refuse to insure an applicant, and that no certification of medical eligibility is required. THE CONVERSION PRIVILEGE, HOWEVER, DOES NOT MEAN THAT THE SAME INSURANCE PREMIUM RATES OR SCHEDULE OF BENEFITS IN EFFECT FOR THE UNITED NATIONS GROUP POLICY WILL BE OFFERED IN RESPECT OF INDIVIDUAL INSURANCE CONTRACTS. It should be noted, moreover, that the conversion privilege may be exercised only for separating staff who will continue to reside in the United States as the insurers cannot write individual policies for persons residing abroad. In all cases, the conversion privilege must be exercised WITHIN 31 DAYS OF THE DATE OF SEPARATION. Details concerning conversion to individual policies under Aetna, Blue Cross and Blue Cross WrapAround Plus may be obtained from the Insurance Section, room S-2765. Details concerning

conversion to individual policies under HIP, Kaiser and GHI Dental should be obtained from those companies directly.

Where to address claims and benefit inquiries

20. Although the staff of the Insurance Section is available to assist staff members in administrative matters concerning participation in the various Headquarters insurance plans, claims questions should always be taken up in the first instance directly with the insurance company concerned. The addresses and relevant telephone numbers of the insurance companies are listed in annex XIII to the present circular.

Blue Cross/Aetna Major Medical (Blue Cross/Aetna)

21. The Blue Cross/Aetna Major Medical (Blue Cross/Aetna) insurance plan is a full-indemnity plan that offers worldwide coverage for hospitalization (through Blue Cross) and surgical and medical expenses, and prescription drugs (through Aetna). Under the Blue Cross/Aetna plan, treatment for a covered illness or injury may be obtained from a physician or at a hospital of one's own choosing. Hospital costs for semi-private accommodation are covered in full under Blue Cross. Under the Aetna component, the reasonable and customary levels of surgical, medical and prescription drug expenses are reimbursed at the rate of 80 per cent, after meeting an annual deductible of $125 per individual or $375 per family. When a participant has met the annual deductible and a further $1,000 in copayment (20 per cent of $5,000 of recognized expenses), Aetna will reimburse all further claims incurred in the year, subject to the "reasonable and customary" provision, at 100 per cent. The deductible and copayment requirement must be met each calendar year. There is no lifetime reimbursement limit under the Blue Cross/Aetna plan. Summaries of the benefits of the Blue Cross and Aetna components of the Blue Cross/Aetna plan are set out in annexes III and IV to the present circular respectively.

(a) Premium. The monthly premium for the Blue Cross/Aetna plan, which reflects utilization by its participants, will increase by approximately 18 per cent for the rate renewal period commencing 1 July 1992. While this increase compares favourably with premium increases for the non-United Nations community in the New York area having similar plan structures, it is a greater increase than that of last year. This is due largely to a substantial increase in the cost of the Blue Cross hospitalization component compared with last year. The new premiums are shown in column (1) of annex I to the present circular. The percentages of salary contribution by staff members required to cover the increases are shown in column (1) of annex II to the present circular;

(b) Benefits.

(i) Skilled nursing facilities. Under the Blue Cross component, skilled nursing facilities are covered when the treatment in the facility

would otherwise be rendered by a hospital if no skilled nursing facility was available. In the United States, eligibility is established if the facility is approved by:

- Medicare;
- Joint Commission on Accreditation of Hospitals;
- Empire Blue Cross and Blue Shield in New York State or elsewhere by any Blue Cross plan.

Overseas coverage is approved if the facility is properly accredited and provided that the above-mentioned conditions are met. In reviewing any overseas facility, the focus is on whether the facility provides:

- Direct supervision by a doctor;
- Registered professional nurses on duty 24 hours a day;
- On-site physical therapists and other professionals.

Specifically, the skilled nursing benefit amounts to two days for every one day of covered hospitalization not utilized. The Blue Cross hospitalization plan component provides 365 days of care. Thus, for example, if an individual were to be hospitalized for 100 days, the unused balance of hospital days (265) would be doubled (530) to establish the maximum number of days allowable under the skilled nursing facility benefit. The skilled nursing facility benefit does not provide coverage for custodial care, rest homes, spas and nursing homes where the services do not meet the above criteria;

(ii) Hearing aids and optical lenses. As announced in ST/IC/1992/23, dated 27 March 1992, a hearing aid and optical lens benefit was included in the Aetna component of the Blue Cross/Aetna health insurance plan with effect from 1 April 1992. The modest cost of that benefit is reflected in the premium structure of the Blue Cross/Aetna plan, as shown in column (1) of annex I to the present circular. Reimbursements to be made by Aetna for hearing aid and optical lens claims will be subject to the normal deductible and copayment requirements of that plan. In addition, a one-year waiting period will apply, which means that only subscribers and covered family members who have been enrolled in the Blue Cross/Aetna plan for at least 12 months will be eligible to receive the benefit. For the convenience of staff members, a description of the hearing aid and optical lens benefit is reiterated in annex VI to the present circular;

(iii) Testing for the HIV virus. In April 1991, the Administrative Committee on Coordination (ACC) adopted a policy statement on personnel questions related to the human immunodeficiency virus (HIV) epidemic and the spread of acquired immune deficiency syndrome (AIDS). In the policy adopted by ACC, it is stated that "voluntary

testing with pre- and post-counselling and assured confidentiality should be available to all United Nations staff members and their families". Up to now, the Aetna plan has not routinely covered the cost of such testing. With effect from 1 July 1992, subject to its normal conditions, Aetna will reimburse the costs of up to two blood tests per person per year for the HIV virus;

(c) Blue Cross - International participating hospitals. An updated list of hospitals outside the United States that accept the Blue Cross card for necessary IN-PATIENT hospital care is set out in annex XII to the present circular. In most cases, the hospital will bill Blue Cross directly for covered expenses. For updates to this list, call 1-800-522-2855 (in the District of Columbia, 861-3800);

(d) Mandatory second surgical opinion. Staff members are reminded that reimbursement in respect of 16 surgical procedures performed on a non-emergency basis requires a second surgical opinion and that failure to provide a second opinion, which must be furnished by a physician not associated or in practice with the physician who originally recommended and proposed to perform the surgery, WILL RESULT IN A REDUCTION OF THE REIMBURSEMENT FOR THE SURGERY BY 50 PER CENT. THE STAFF IS URGED ONCE AGAIN TO TAKE NOTE OF THIS REQUIREMENT. A complete listing of the surgical procedures subject to mandatory second opinion is provided in annex IV to the present circular;

(e) Aetna claims. The address to which Aetna claim forms should be sent is as follows:

Aetna Life Insurance Company
Unit 41
3541 Winchester Road
Allentown, PA 18195-0513

The customer service number for New York City area residents continues to be (212) 567-6969. The customer service number for non-New York City residents is (215) 391-1617. AS THE PLAN INCURS A SERVICE CHARGE FOR EACH CLAIM SUBMITTED, PARTICIPANTS ARE URGED NOT TO FILE CLAIMS WITH AETNA UNTIL ONE CLAIM OR A GROUP OF CLAIMS EQUALS OR EXCEEDS THE APPLICABLE ANNUAL DEDUCTIBLE;

(f) Access America. Blue Cross/Aetna subscribers are reminded of the existence of an additional benefit within the Blue Cross component called Access America. This facility provides an international travellers' 24-hour hotline assistance programme for obtaining medical care abroad, or within the United States, when at least 100 miles from one's normal place of residence. Participants who call the hotline numbers below will, where possible, be provided with referrals from a worldwide network of physicians, dentists, hospitals, pharmacies and other medical facilities. In addition, in most cases, Access America will settle the costs of EMERGENCY foreign hospital admission and treatment. If the emergency hospitalization occurs in the United States and the hospital does not accept the Blue Cross card, Access

America will also settle the related costs directly with the hospital. In either case, it will then claim reimbursement directly from Blue Cross. In the case of hospitalization, Access America medical staff will contact the insured patient's local physician in order to monitor the case and services being received. In the event of an emergency hospitalization in the circumstances described above, it is important that Access America be contacted upon admission to the hospital or, at the latest, before discharge. It should also be emphasized that any hospital bill paid by the participant must be sent to Blue Cross for reimbursement, as Access America does not reimburse participants directly.

The hotline numbers are:

1-800-654-1901 - (in the United States, Canada, Puerto Rico and the Virgin Islands)

(202) 463-9662 - collect (from Alaska, Washington, D.C. and all other locations), or

Telex No. 706305 ACCESS WSH (from all locations)

When contacting Access America, be sure to identify yourself as a United Nations participant. Your Access America identification number is as follows:

2065-8-(UN INDEX NUMBER)-00.

Blue Cross/WrapAround Plus (WrapAround Plus)

22. The WrapAround Plus plan is a hybrid scheme blending some of the features of a health maintenance organization (HMO) (such as HIP) with some of the features of a full indemnity plan (such as Blue Cross/Aetna). The plan provides the participant with the possibility of selecting a physician from an extensive listing of participating WrapAround Plus practitioners covering most medical specialities, in which case the only charge to the participant is $10. On the other hand, the participant may equally be treated by a physician who is not a participating practitioner in the plan. Medical services rendered by non-participating providers (whether physicians or otherwise) will be reimbursed subject to a deductible and 20 per cent copayment. The deductible and 20 per cent copayment requirement must be met each calendar year. The hospitalization component of the WrapAround Plus plan is exactly the same as that offered in conjunction with the Aetna plan, and is described in annex III to the present circular.

(a) Premium. Owing to extensive utilization of the WrapAround Plus plan last year, the cost of the plan will rise significantly. The large increase in premium required for the renewal period 1 July 1992 to 30 June 1993 follows a reduction in the premium cost of that plan implemented for the policy year ending 30 June 1992, yielding an average annual increase of approximately 15 per cent. The cost of the WrapAround Plus plan will remain largely

comparable to the two health maintenance organization plans offered, HIP and Kaiser.

(b) Benefits.

(i) Hearing aids and optical lenses. In line with the hearing aid and optical lens benefits already introduced under Aetna, a comparable benefit is introduced with effect from 1 July 1992 under WrapAround Plus. Reimbursements to be made by WrapAround Plus for hearing aid and optical lens claims will be subject to the normal deductible and copayment requirements of that plan. In addition, a one-year waiting period will apply, which means that only subscribers and covered family members who have been enrolled in the WrapAround Plus plan for at least 12 months will be eligible to receive the benefit. For the convenience of staff members, a description of the hearing aid and optical lens benefit is set out in annex VI to the present circular;

(ii) Skilled nursing facilities. The skilled nursing facility benefit under the Blue Cross coverage, described in paragraph 21 (b) (i) above, applies also to the Blue Cross/WrapAround Plus plan;

(iii) Mental and nervous hospital care. Up to the present, the Blue Cross/WrapAround Plus plan has provided a maximum of 30 days per calendar year of hospitalization for the treatment of mental and nervous disorders. With effect from 1 July 1992, hospitalization beyond 30 days for mental and nervous disorders will be covered, subject to the established deductible and 20 per cent copayment arrangement;

(iv) Testing for the HIV virus. In line with the policy stated in paragraph 21 (b) (iii) above, WrapAround Plus, subject to its normal conditions, will reimburse the costs of up to two blood tests per person per year for the HIV virus, effective 1 July 1992;

It should be noted that the hearing aid and optical lens benefit is provided at nominal cost, and that the skilled nursing facility, mental and nervous hospital care and HIV testing benefits are provided at no additional premium charge.

(c) Participating providers. A network of physicians covering the New York City, Westchester and Long Island areas participate in WrapAround Plus and accept as payment a fee schedule arranged with Blue Cross. These physicians are listed in a directory that is available to Headquarters staff for consultation at the offices of the United Nations Insurance Section (room S-2765); the Division of Personnel, United Nations Development Programme (UNDP) (room DC1-1876); and the Office of Personnel, United Nations Children's Fund (UNICEF) (room H-434); participants may also telephone Blue Cross at (212) 949-8090 to verify or obtain the name and address of a participating provider. No deductible has to be met, but instead, the participant pays a

$10 copayment for each visit. If, however, a participating physician refers a patient to, or engages the services of, another provider who is non-participating, the deductible and 20 per cent copayment will apply in connection with reimbursement of the cost of the services rendered by the non-participating provider;

(d) Participating diagnostic laboratories. A number of diagnostic laboratories are participating providers under WrapAround Plus. When any laboratory tests are required, it is important that the physician be told to direct the tests to a participating laboratory, if possible. If this is done, the cost of the laboratory test will be paid in full and will not be subject to the normal deductible and copayment;

(e) List of participating providers. At the request of the United Nations, Blue Cross is undertaking an exercise of pruning the lists of participating providers contained in the directory referred to above. Staff members who have participated in the WrapAround Plus for some time may be aware that in the period since the directory was first issued quite a large number of the providers listed therein no longer participate in the plan, for one reason or another. The process of verifying the participation of each provider listed in the directory is still under way at this time. However, an up-to-date listing of the WrapAround Plus providers in Manhattan, Brooklyn and Queens has been completed by Blue Cross and is set out in annex XI to the present circular. As Blue Cross completes the verification exercise in regard to providers in other New York metropolitan areas, additional lists will be issued as addenda to this circular. In the meantime, staff members who wish utilize the services of participating providers other than in the three boroughs of Manhattan, Brooklyn and Queens should consult the directory and contact the Blue Cross referral service at (212) 949-8090;

(f) Non-participating provider utilization. Should the participant choose to be attended to by a non-participating provider or be referred by a participating physician to a non-participating provider, WrapAround Plus will pay 80 per cent of the reasonable and customary charge after the participant has met a $150 deductible per individual/$450 per family. It should be noted that, with few exceptions, the following providers and medical services fall under the non-participating category and are subject to the deductible and copayment:

(i) Diagnostic laboratory and X-ray examinations;

(ii) X-ray, radium and radioactive isotope therapy;

(iii) Anaesthesia and oxygen;

(iv) Assistant surgeons assisting a primary surgeon;

(v) Physical therapy, physical medicine or rehabilitation;

(vi) Chiropractic services (limit of 20 visits).

After $900 of unreimbursed reasonable and customary medical expenses have been paid by the participant in a given year, further expenses will be reimbursed in full (100 per cent in lieu of 80 per cent);

(g) Access America. Blue Cross WrapAround Plus subscribers also benefit from the Access America facility, which is described in paragraph 21 (f) above.

An outline of the benefits of this plan is provided in annex VI to the present circular. The premiums and percentages of salary contributions by staff members applicable as of 1 July 1992 are shown in column (2) of annex I to the present circular and column (2) of annex II to the present circular, respectively.

Health Insurance Plan/Health Maintenance Organization (HIP/HMO)

23. This plan follows the concept of total prepaid group practice hospital and medical care, i.e., there is no out-of-pocket cost to the staff member for covered services at numerous participating medical groups in the Greater New York area, including New Jersey and certain areas in Florida. The costs of necessary emergency treatment obtained outside the covered area are included in the plan coverage. Additionally, prescription drugs and medical appliances are covered in full when obtained through HIP/HMO participating pharmacies and are prescribed by HIP/HMO physicians, or any physician in a covered emergency. Details of the HIP/HMO plan are outlined in annex VII. The premiums and percentages of salary contributions by staff applicable as of 1 July 1992 are shown in column (3) of annex I and column (3) of annex II to the present circular respectively.

Kaiser Foundation Health Plan of the Northeast (Kaiser/HMO)

24. The Kaiser Foundation Health Plan is an HMO, providing all medical-related services at any one of four health centre locations, accessible to staff members residing in northern Bronx, Westchester County and southern Connecticut as well as hospitalization when authorized by a Kaiser physician. Kaiser health centres accommodate not only physicians' offices but also laboratory, X-ray, pharmacy and mental health services. The costs of necessary emergency treatment obtained outside the covered area are included in the plan coverage. There is no ceiling on the use of authorized services, no deductibles to cover and no insurance forms to complete. The plan coverage emphasizes early detection of medical problems before they become major illnesses. An outline of the benefits of this plan is provided in annex VIII to the present circular. The premiums and percentages of staff contributions applicable as of 1 July 1992 are shown in column (4) of annex I and in column (4) of annex II to the present circular, respectively.

GHI Dental

25. As indicated in paragraph 1 (d) above, the GHI Dental Plan has been revised to provide certain benefit increases. The new schedule of benefits, called the Preferred Plan, provides modest increases in the reimbursements for preventative, diagnostic and basic services. The major improvements relate to dental procedures in the areas of periodontics, prosthetics, X-rays, composites, crowns and orthodontics. While these benefit increases will go some way towards relieving participants of the costs of dental services provided by independent (fee-for-service) practitioners, staff members are encouraged to make maximum use of the dental practitioners who participate in the GHI Dental Plan. In order that participants may have readier access to the names and specialties of such providers in the New York area, the relevant sections of the Directory of Participating Dentists are reproduced in annex X to the present circular. Copies of the directory, which includes the names, addresses and telephone numbers of providers in locations outside the New York metropolitan area, are available at the offices of the Insurance Section, room S-2765. The premiums applicable as of 1 July 1992 are shown in column (5) of annex I. The percentages of staff contributions applicable as of 1 July 1992 are set out in columns (5) and (6) of annex II to the present circular.

Annex V

BLUE CROSS WRAPAROUND PLUS

A. Hospital expenses incurred after exceeding Blue Cross coverage maxima listed in annex IV above are covered by the Blue Cross WrapAround Plus component, subject to the deductible and copayment requirements set out in paragraph B (2), below. Covered expenses include charges for semi-private hospital room, board, general nursing care, X-ray and laboratory examination, etc.

B. Major medical covered expenses under the Blue Cross WrapAround Plus scheme are as follows:

1. Surgical and medical care in or out of the hospital when using one of the participating WrapAround Plus plan doctors. (Please consult the Blue Cross WrapAround Plus directory or ask your physicians if they are enrolled in this plan as participating physicians. Alternatively, you may call (212) 949-8090 for up-to-date information on participating providers or verification that the physician of your choice does participate in the plan.) Please note that, if a participating physician refers a patient to, or engages the services of, another provider who is non-participating, the deductible and 20 per cent copayment will apply in connection with reimbursement of the cost of the services rendered by the non-participating provider (see also para. 4 below). The benefits under this arrangement include:

   (a) When using the services of a participating physician for an office or home visit, only a $10 copayment a/ per visit is required (no claims to file, no deductibles or additional out-of-pocket expenses to be met when being treated by a participating physician);

   (b) Well-baby care visits paid in full (six office visits up to age 1, one annual visit per year up to age 6); these visits are in addition to one in-depth examination performed in the hospital by a physician other than the attending physician who delivered the baby;

   (c) Surgical second opinion paid in full when rendered by a choice of physicians designated by Blue Cross (call (212) 481-2658).

2. When using a non-participating physician, reimbursement for the services provided will be subject to certain charges and limitations, as follows:

   (a) Deductible of $150 per individual/$450 per family;

(b) Twenty per cent out-of-pocket copayment on the first $4,500 of reasonable and customary medical expenses ($900), after which the scheme pays 100 per cent in lieu of 80 per cent of covered expenses incurred in a given calendar year.

3. The following benefits are covered subject to the deductible and the out-of-pocket copayment set out in paragraph 2 above:

(a) The services of a private duty registered nurse (RN) other than a nurse who ordinarily resides in the staff member's home or who is a member of the staff member's family or his or her spouse's family, if deemed necessary by the attending physician;

(b) Rental of durable medical or surgical equipment;

(c) Artificial limbs and artificial eyes (eye examinations, eyeglasses and hearing aids are excluded);
